3.4 The Association also fields representative teams in the Southern Districts Cricket Zone. The Southern Districts Cricket Zone decides age groups and competition formats and playing conditions.

### 3.5 COMPETITION DRAW

3.5.1 The HDCA shall determine the commencement and conclusion dates of the competition season each year. Applicable to all grades/stages except 1st Grade: if no play or play is abandoned with no result on the scheduled day of the Grand Final, the Grand Final will be played on the back-up day as nominated by the HDCA. Note the back-up date cannot be extended beyond the last weekend of March.

3.5.2 The HDCA will be responsible for the competition draw and will determine the draw for each grade as soon as possible after the team nominations are made. See Rule 4.1.

3.5.3 Requests from clubs to change the venue or playing times of scheduled matches are to be submitted no later than seven (7) days prior to the match to the respective senior or junior director of cricket.

## 5. PLAYER REGISTRATIONS

5.1 Every player must register following the terms and conditions on PlayHQ.

5.2 Defaulting members of a Club shall not be allowed to take part in any HDCA competition. Refer to section 5.10.

5.4 Subsequent additions to the Club/Affiliate player list must be registered on PlayHQ prior to or concurrent with entering or confirming the results of the first match in which that player participated.

5.5 Any Club playing a player in a HDCA competition, who has not completed registration on PlayHQ, or does not have a clearance from the player's former Association or HDCA member Club/Affiliate with which they last played, shall lose the match or matches in which such player took part and shall receive no points and be subject to a fine as per Annexure C of these regulations. The opposing team shall receive maximum points for that round in that grade.

5.6 Any player taking part in a competition match while not cleared from the Association with which they last played shall be liable to suspension or disqualification, and fines and penalties imposed as per Annexure C.

5.7 Once a player has played 3 or more games for a team within a grade, they cannot play for another club team in the same grade.

5.8 A forfeit or washed out game shall count as a qualifying game where the nominated team has been entered on PlayHQ for that match.

5.9 Games played in the Association's competitions (whether T20, one day or two-day matches) where competition points are to be allocated shall be deemed to be competition matches as per the relevant playing conditions for the purpose of qualification for finals.

#### 5.10 DEFAULTING PLAYERS

5.10.1 Senior Players who have not paid their full club registration fees from last season or seasons previous to that Club, must be listed on the defaulters list (refer 5.10.2 and 5.10.3) and will not be allowed to take part in HDCA competitions until those outstanding fees are paid in full. Junior players who participated in the junior competitions only are exempted from this requirement. Persons Under 16 who played both junior and senior cricket in the previous season may be listed on the defaulters list.

5.10.2 By June 30<sup>th</sup> each year the HDCA Secretary will issue the current defaulters list to all members for updating. By July 15<sup>th</sup> each year members are to confirm to HDCA Secretary those persons who are to remain on the list. Failure to confirm by this date will result in automatic deletion.

5.10.3 By July 15<sup>th</sup> each year members must provide the names and details of all their defaulting players from the season just concluded to the HDCA Secretary. Details required are full name (including given name and surname), last known address and the amount of fees owing from last season. For each name submitted members must provide one copy of the correspondence from your club to the defaulter, confirming that that person has been advised of the date by which that amount must be paid. Only players names who have not paid their registration/membership fee can be submitted. HDCA will not list persons who owe clubs money for other reasons such as clothing, social events etc. Any requests for listing received after July 15<sup>th</sup> will not be accepted.

5.10.4 By August 1<sup>st</sup> each year HDCA Secretary will forward a combined list for the Association with accompanying documents to Cricket NSW for listing on CNSW Defaulters List and confirm previous listings where required.

5.10.5 The Association will issue to all members an updated list of defaulters by August 31<sup>st</sup> each year. Members must advise the Secretary the names of any persons who have since paid their fees and should be taken off the list. The Secretary will delete those names from the HDCA listing and instruct Cricket NSW to delete those names from their list.

## 6. PLAYER GRADINGS

6.1 A player's age at midnight on August 31<sup>st</sup> shall determine his/her eligibility for age-related Club/Affiliate Member and HDCA representative teams.

6.2 A senior cricket competitions cricket committee shall exist and be chaired by the director of senior cricket. It shall consist of at least three representatives of the Clubs that field teams in the senior competitions and be ratified by the Board prior to each season. Decisions shall be made by majority vote, and in the case of a tied vote, matters shall be decided by the Board.

6.3 The senior competitions committee may grade any new player to the HDCA senior competition at their sole discretion after they have played three (3) matches.

6.4 Any player selected in the Burns Cup representative team shall be deemed a first grade player for the current season and the following season unless the HDCA senior cricket competitions committee gives special dispensation. Players so graded must obtain the consent of the senior cricket director to play in a lower grade. Players whose names are listed on the HDCA Graded Players list shall remain graded unless a re-grade is granted.

6.5 The responsibility for obtaining a re-grade, prior to the match for which the player is required rests entirely with the club concerned.

6.6 Disputes over the grading of a player, by a club or player, may be lodged with the HDCA director of senior cricket. The Board will then review the matter and decide. Once determined by the Board, the decision shall be final and binding.

6.7 Players graded second or third grade shall be permitted to play in a higher grade. No player may play or act as a substitute or substitute fieldsman in a grade lower than their grading.

6.8 The senior cricket competitions committee will grade players on "displayed ability," and they shall review and regrade any player during the season according to the following guidelines;

- Any player who scores a total of 1000 runs or more over two consecutive seasons (excluding T20 matches), and or
- takes a total of 70 or more wickets over two consecutive seasons (excluding T20 matches).

A player will be graded to the grade 1 higher than the grade the player predominantly plays in.

**These totals will be inclusive of runs and wickets in all grades combined.** Semi-finals, finals, and one-day finals are all exempt from these totals. Any Club playing an ineligible player in that particular competition will be subject to penalties as per Annexure C of these Regulations.

6.9 For the sake of clarity, should a player be graded or regraded higher, and the player's current Club does not field a team in that higher grade, then the player will need to play for another Club in the HDCA that does.

## 7. PLAYER TRANSFERS

7.1 A player transferring from club to club or moving from another Association to a club within the HDCA must obtain a clearance in writing or via PlayHQ from his/her former Club. Should a player's written application for a clearance not be granted by a club within seven days from the application, the player concerned may apply to the HDCA for a clearance. The HDCA has

the power to grant such clearance provided adequate information regarding the player involved has been obtained. The only permissible reason for a club withholding a clearance is for a player being indebted to the club concerned or for misconduct.

7.2 All clearances shall be submitted to the club Secretary via email through PlayHQ.

7.3 No player shall play for more than one club in a season in any Association without written approval from both clubs and the HDCA. However, transfers within the HDCA may take place up to November 30<sup>th</sup> through the PlayHQ transfer process.

7.3.1 Requests for transfer after November 30<sup>th</sup> must be submitted to the Secretary of the HDCA for approval by the relevant director of cricket (Seniors, Juniors or Womens). The full circumstances surrounding each case are to be presented to the HDCA.

Transfers from outside the HDCA can take place at any time, subject to 7.3.

7.4 Juniors may play junior cricket for one club and senior cricket for another club within the HDCA.

## 8. PLAYER STANDARDS

8.1 All players playing in HDCA competition matches must wear the correct playing attire as follows;

- Clothing
  - Significantly white or cream shirt where a red or pink ball is being used, and significantly coloured shirt when using a white ball. Any colour used in the shirt should not compromise the colour contrast with the ball being used in that competition or impact on the ability of the batters to sight the ball out of the bowler's hand.
  - Long white or cream trousers / HDCA approved coloured clothing. (Shorts are acceptable for junior players).
  - Cricket cap or hat (optional).
  - White or cream sweater or jumper (optional).
  - Predominately white socks.
  - Predominately white boots or shoes for red ball matches. Coloured shoes for white ball matches.
- Helmets
  - It is **strongly recommended** that Club/Affiliate officials require batters in senior cricket to wear helmets.
  - All junior players while batting or keeping wicket up to the stumps, must wear a helmet as per Cricket Australia policy.

8.2 Boots or shoes to which spikes, studs or bars are fixed are not permitted on synthetic pitches. All players on turf pitches are requested to wear spikes (no rubbers).

8.3 Where authorised by the HDCA, clubs may wear coloured shirts after submission to HDCA for approval. For the sake of clarity, coloured playing shirts should not contain areas of white patterns or significant areas of white writing.

8.4 The HDCA reserves the right not to approve playing shirts that may include sponsor's logos, under the following conditions;

- the sponsor conflicts with the HDCA values
- a manufacturer's logo shall be deemed as a sponsor's logo under these rules.

8.5 All club team playing shirts should be submitted to the HDCA for approval before the start of the season. The HDCA will accept no responsibility for any shirts, which have been ordered and supplied, which at final approval, do not comply with these rules.

## **9. UMPIRES**

9.1 Official Umpires for the HDCA competition and representative games will normally be provided by the Highlands District Umpires Association (HDCUA). Match appointments are the responsibility of the HDCUA and are based on the best umpires available being appointed to 1<sup>st</sup> grade, followed by other grades. Members or teams do not have the right to object to the appointment of an official umpire. Each season, fees for Official Umpires provided by the HDCUA will be determined by the HDCA Board on advice from HDCUA.

9.2 Match fees for official umpires shall be paid by the HDCA via direct deposit following the receipt of completed match reports by the umpire.

9.3 Non-official and official umpires' fees for the finals will be paid by the HDCA. Non-official umpires required for senior grade semi-finals, finals or grand finals shall be paid at the same rate for official umpires.

9.4 Official umpires are required to be members of the HDCUA and ideally should be Cricket Australia Level 2 accredited.

9.5 The HDCUA Secretary must be advised if a match is abandoned not less than two hours before the scheduled start time of the match. Failure to do so will see the payments for that day due and payable. This will also be the case if the HDCUA Secretary is not notified of the transfer of a match venue and the umpire is not able to rearrange suitable travel arrangements.

9.6 In senior semi-finals, finals and grand finals, in the absence of official umpires, the umpires (Maximum of 2) shall be provided by teams not involved. Clubs must be notified of the need to provide an umpire by no later than the Tuesday prior to the match. Failure to provide umpires for these games shall constitute a fine as per Annexure C of these Regulations.

9.7 Official Umpires must wear attire as specified in the Constitution of the HDCUA.

9.8 Where there is an absence of an official umpire(s) at a match, the club or team is to supply an umpire while they are the batting team. When off-field, these non-official umpires carry

the same responsibilities to carry out the role as the Laws of Cricket and HDCA Playing Conditions require. Additional guidance is provided in Annexure B.

9.9 Where a team has a scheduled Bye in a senior competition, the Club should supply at least 2 umpires to officiate in games in that grade (or the grade immediately below). Payment shall be made to Player/Umpires as per the payment schedule for Umpires.

## **10. HDCA CODE OF CONDUCT**

10.1 The HDCA takes the behavior standards and Spirit of Cricket seriously pertaining to all participants, clubs, office bearers and volunteers. The HDCA expects that all members adhere to the highest standards of behavior at all times, both on the field and off it.

10.2 The HDCA believes that the conduct of players is the responsibility of the captain of that team and the club in the first instance. Clubs are encouraged to select captains who have the appropriate leadership and people skills to manage their players and behavior. Should the captain or club not be able to do this, then the HDCA expects any appointed HDCA umpire to lodge a report as per the standards and processes set out in the Code of Conduct.

12.2 The policies applies to all senior and junior club competition and representative matches and also extends to the hours during which member and representative practice/training sessions are conducted.

## ANNEXURE B

### HDCA Player Square Leg Guidelines 2018/19

#### **THE DOs:**

- When changing player square leg umpires do so quickly, plan ahead, be aware of drink breaks or if doing in 10 over stanzas, when the 10 overs is up, so as to cause as little interruption to play as possible.
- Wear clothing that will differentiate you to players (e.g. a Club supporters/training shirt) so as to minimise confusion for both batsmen and fielders, but not the same colour as the ball.
- Have a ball counter so can count balls bowled, and signal to the bowler's end Umpire when there are 2 legal deliveries remaining in the over.
- Be on the lookout for short runs, hit wicket, and position of the WK when up to the stumps.
- Assist the bowlers end umpire with the height of full tosses and short pitched bowling with a pre-determined signal.

#### **THE DON'Ts:**

- Bring a phone, I-pod, camera etc. onto the field.
- Come onto the field wearing thongs or bare footed – wear covered shoes.
- Stand more than 30 metres from the pitch, you need to be able to see the crease lines.
- Don't decide to leave the field of play until a replacement is standing on the boundary line, and ready to take his/her place.
- Stop to chat with the batsmen between each over, move quickly into position, so as not to hold up play.
- If playing on turf, don't walk over the pitch, walk around the protected area of the pitch.
- Offer opinions about decisions made – decision made and move on. If there is a concern about the decision made the Captain is the one to approach the officially appointed umpire (if there is one).

#### **A couple of things for the player square leg umpire to remember:**

- On the line is out – a batsman (or his/her bat grounded) must be behind the crease line to be not out from a stumping or run out attempt.
- The player square leg umpire's primary responsibility is to be a square umpire – not a batting coach or chief tactician.
- Assist the bowlers end umpire with boundaries when they are close call, and are closer to the ball – the position of boundary markers can make it difficult in some instances.
- When a catch is taken, assist the bowler's end umpire if the batsmen have crossed.

#### **The fielding side needs to remember:**

- That the player square leg umpire is to be treated the same as you would treat a qualified umpire: with respect.
- Abuse of player square leg umpires will not be tolerated, and could lead to being placed on report.
- If a fielding team wishes to make a comment about a player square leg umpire they are to do so via their captain to the umpire standing in the match.

It represents our club's commitment to its members, volunteers and visitors, and acknowledges the role that sporting clubs play in building strong and healthy communities.

This policy will help to ensure our club:

#### 5. INTOXICATED PEOPLE

For the purposes of this policy, a person is defined as being in a state of intoxication if his or her speech, balance, co-ordination or behaviour is noticeably affected and there are reasonable grounds for believing that this is the result of the consumption of alcohol.

- Intoxicated people will not be permitted to enter our club premises.
- If a person becomes intoxicated (and is not putting other people at risk with their behaviour) the person will be provided with water and options for safe transport home, where available.

We ask that all attendees at our functions plan their transport requirements to ensure they get home safely and avoid driving under the influence of alcohol.

## SAFE TRANSPORT & SMOKE-FREE POLICY

### Highlands District Cricket Assoc. Inc.

---

#### 1. PURPOSE

This policy outlines our procedures for safe transport after club games, special events, functions and other club-related activities where alcohol may be consumed. It represents our club's commitment to its members, volunteers and visitors, acknowledging the role that sporting clubs and associations play in building strong and healthy communities.

This policy will help to ensure our club:

- Meets its duty of care in relation to the health and safety of our members, volunteers and visitors who attend any club games, special events, functions and other activities.
- Upholds the reputation of our club, our sponsors and partners.
- Understands the risks associated with alcohol use and driving, and our role in minimising risk.
- Educates our members about standard drinks.

#### 2. RATIONALE

Ensuring members, visitors and guests getting to and from club games, activities and events safely is an important part of being a responsible, healthy club.

While the **HDCA** wishes to avoid club members becoming intoxicated and notes the recommendation by the National Health and Medical Research Council to consume no more than four drinks in one sitting, as part of our club's duty of care we encourage our members to plan safe transport home. This will reduce the risk of drink-driving, injury or worse.

Alcohol and drugs affect pedestrians and drivers' abilities to stay safe. They affect decision-making, reaction times, speed and distance judgements, concentration, balance, perception and alertness. It can also increase risk-taking behaviour by giving a pedestrian or driver a false sense of confidence.

Sporting clubs such as ours help prevent drink driving related tragedies in the community by improving safety around transport and minimising the risk of developing a drinking culture.

#### 3. GENERAL PRINCIPLES

Our club recognises that:

- Drink driving is one of the main causes of road deaths in Australia.
- Driving when over the legal blood alcohol limit is illegal and hazardous to individuals and the wider community.
- Mixing drugs (including prescription medication) with other drugs or alcohol can seriously affect the ability to drive safely.

#### 4. TRANSPORT FOR CLUB ACTIVITIES

This safe transport policy applies for all activities undertaken by the club that involve the serving and/or consumption of alcohol.

Our club will:

- Promote strategies that encourage members to plan how they'll get home safely before they go out e.g. pre-arranged transport.
- Print safe transport messages on relevant club activity and event invitations or flyers.
- Ensure the MC for events or club committee members advise attendees that the club is a Good Sports accredited club, communicate the safe transport options and regularly remind attendees to behave responsibly around alcohol.
- Ensure telephone calls can be made free of charge to call a sober person to provide transport from the club or venue.

Where available, our club will also consider:

- Use of a club or community bus (such as council, school or tourist buses) and:
  - The bus or transport provided will be an alcohol-free zone (i.e. no alcohol will be permitted on the bus).
  - The bus will not be used to transport members between licensed venues.
  - People who have consumed alcohol can get home safely from the bus drop off point
- Use a range of taxi or ride share strategies such as:
  - Free telephone calls to arrange a taxi to provide transport from the club or venue.
  - The club committee will pre-order taxis to arrive at a club or venue at the conclusion of a club event or function.
  - Encourage club members to utilise a ride share service.

#### 5. CONDUCT EXPECTATIONS

Whilst engaging in club activities, members, volunteers and visitors will:

- Accept responsibility for their own behaviour, use good judgment and take a responsible approach towards alcohol consumption.
- Encourage and assist others to use good judgment regarding alcohol consumption.
- Make alternative transport arrangements to get to and from the activity safely.
- Share a taxi or ride share (where available) with friends.
- Consider arranging overnight accommodation.

#### 6. SMOKING

Highlands District Cricket Assoc. Inc. is smoke free. We understand the harmful effects of smoking on health, fitness and performance in sport and that passive smoking (secondhand tobacco smoke) is also hazardous to health.

Non-smokers should be protected from the involuntary inhalation of tobacco smoke at our games, events, functions and other activities.

Our club will ensure:

- All events will be promoted as smoke-free, regardless of where they are held.
- Members, volunteers and visitors will know we are a smoke free club and will abide by our club policy.
- No-smoking signage and/or signage promoting events as smoke-free will be displayed around the club and at games, events or functions (where possible).

## 7. PROMOTING THIS POLICY

Our club will:

- Educate members, volunteers and guests about our policy and the benefits of having such a policy.
- Implement strategies to create awareness of safe transport messages to club members (e.g. display standard drink posters/ cards to help patrons recognise what standard drinks are and the implications on drink driving).
- Ensure this policy is easily accessible and will promote it via our website, announcements etc.

## 8. POLICY REVIEW

This policy will be reviewed annually to ensure it remains relevant to club operations and reflects both community expectations and legal requirements.

## ANNEXURE G

### SOCIAL MEDIA POLICY – HDCA

#### **Purpose**

This policy has been developed to inform the HDCA community about using social media so they can positively communicate, engage and promote the association via social media, whilst being mindful of their responsibilities and obligations.

Social media offers the opportunity for people to interact in online communities of republished interest and create, republish or consume content. The HDCA recognises the benefits of social media as an important tool of engagement and communication for our clubs and members.

The HDCA, its member clubs, members, players, volunteers and other stakeholders are integral to the delivery, growth and development of cricket and it is important that the reputation of the sport and all its stakeholders are not negatively affected by any individual/s using social media inappropriately.

When someone identifies their association with the HDCA or an affiliated HDCA club and/or discusses their involvement with the association on social media, they are expected to act and express themselves appropriately and in the ways that are consistent with the HDCA's and Cricket NSW's stated values and policies.

The intent of this policy is to understand who is bound by this policy, outline some guiding principles to follow when using social media to ensure positive use of such platforms as well identifying breaches or potential breaches of this policy.

For the purposes of this Policy a stakeholder is a person or entity that is a Player, Player Support Personnel, Umpire, Match Referee, volunteer or office bearer of the HDCA.

#### **Scope & Application of this Policy**

This policy applies to all persons who are involved with the activities of the HDCA.

The HDCA Social Media Policy covers posting or republishing content on social media or digital platforms that has or will negatively affect those involved with the activities of the HDCA as well as anything that may negatively affect the HDCA as an organisation and/or the reputation of the Association.

This policy does not apply to the personal use of social media platforms by the HDCA community that make no reference to cricket or the Association.

Social Media may include, but is not limited to:

- social networking sites (e.g. Facebook, Myspace, LinkedIn, Bebo, Yammer including official and unofficial pages on social networking sites that are set up by individuals, groups, clubs and societies);
- micro-blogging and activity streaming sites (e.g. Twitter);
- geo-spatial tagging sites (e.g. FourSquare);

- video and photo sharing websites (e.g. Flickr, Instagram, YouTube, Snapchat);
- blogs, including blogging platforms, corporate blogs and personal blogs;
- blogs hosted by media outlets (e.g. comments or your say feature);
- wikis and online collaborations (e.g. Wikipedia);
- instant messaging, e.g. SMS, Viber, WhatsApp;
- podcasting (eg iTunes, Stitcher);
- forums, discussion boards and groups (e.g. Google groups, Whirlpool);
- vodcasting and podcasting; and
- any other web sites that allow individual users or companies to use simple publishing tools, e.g. wikis or “comments” functions on public websites.

### **Guiding Principles & Conditions Of Use**

The HDCA considers all members of the local cricket community are its representatives and ambassadors for the sport. It is therefore essential that each member of the HDCA cricket community makes a clear distinction between what they do, think or say in their capacity as a member of the cricket community.

When persons bound by this policy choose to go public with any comments or material in any way (i.e posting and sharing) on social media, they are solely responsible for such comments and materials.

Individuals should be aware that they can be held personally liable for any comments and material that may be deemed to be defamatory, obscene or proprietary. In essence, persons bound by this policy post comments and materials at their own risk.

Further, persons bound by this policy should at all times make it clear that any comments and materials are made in their individual capacity and that they do not represent HDCA, its sponsors or any other third party.

When using social media persons bound by this policy must not:

- Post, republish or include links to any material that contains material that could potentially be illegal, offensive (including language), defamatory, obscene, harassing, discriminatory, embarrassing, intimidating, sexually explicit, bullying, hateful, racist, sexist, insulting, or otherwise inappropriate in nature;
- Post or republish any content online that they would not be happy for anyone to see, even if they feel confident that an individual would never see it. When using social media there is potential for content to become publicly available through a variety of means, even if it was intended to be shared privately;
- Question the integrity of HDCA, its officials or stakeholders;
- Post or share material which incites negative acts towards HDCA, its officials, stakeholders or the sport in general;
- Republish or post anything that is dishonest, untrue, misleading, factually incorrect or misrepresenting HDCA. If you are unsure, check the source and the facts before uploading or posting anything. If in doubt refrain from sharing or posting this information;
- Post or republish anonymously, using pseudonyms or false screen names;
- Post or republish any information or photos of a sensitive nature. This could include accidents, incidents, or controversial behaviour;
- Use social media platforms as a forum for disputes or grievances where activities are connected to the HDCA or retaliate in any way to content that is posted, sent or republished

directly relating to the person or their activities in the sport in a way that would breach this policy;

- Post any information without the relevant permission being granted;
- Post or republish information when you have been asked not to or consent has not been sought and given;
- Imply that you are authorised to speak on behalf of HDCA or a member club unless you have been given official authorisation to do so;

## ANNEXURE H

# EXTREME HEAT POLICY - PARTICIPANTS

### INTRODUCTION

This policy aims to ensure that decisions made during conditions of extreme heat are objective and automatic for the benefit of players, umpires and administrators.

It is recognised that HDCA matches are not resourced with medical and emergency support therefore it may be unsafe to continue play during conditions of extreme heat.

### APPLICATION

This Policy shall apply to all junior and senior HDCA organised cricket matches.

### TEMPERATURE THRESHOLD

Where a temperature threshold is stated, the following measurement shall apply.

The “Feels like” or effective temperature (taking into account wind and humidity) from the nearest weather station in degrees from the BOM Weather App shall be used. The “feels like” temperature may vary from the absolute temperature depending on the level of humidity and wind.

### SMARTPHONE APP

**BOM Weather** shall be the official App for sourcing temperature data. The “feels like” temperature shall be the official temperature measurement. Weatherzone App may be used as a supplementary resource. Smartphone location settings must be enabled.

### CESSATION OF PLAY

- **Level 1** – The umpires shall schedule additional drinks intervals in the event that the “feels like” temperature exceeds 37 degrees Celsius. The drinks interval shall be of 10 minutes’ duration. Players and umpires may leave the field of play during this

interval.

- **Level 2** – Play shall cease immediately in the event that the “feels like” temperature, at the location, reaches or exceeds 43 degrees Celsius.
- **Resumption of play** – Play shall resume if the “feels like” temperature drops below 43 degrees.

#### **LOSS OF PLAYING TIME (DUE TO EXTREME HEAT)**

Where there is any interruption(s) to play due to extreme heat:

- (a) The minimum quota of overs to be bowled that day is unaffected.
- (b) The finishing time is adjusted by the period of scheduled playing time lost.
- (c) Play will continue on each match day until the minimum quota of overs has been completed or until light no longer permits.

#### **ADVANCE CANCELLATION OF AN ENTIRE DAY’S PLAY**

The HDCA may determine to cancel a day’s play in the event that the forecast temperature, at 4:00pm on the day before scheduled play, is 45 degrees or more.

#### **AMENDMENT TO PLAYING TIME**

By monitoring 7-day temperature forecasts and seeking to maximise opportunities for play during times of extreme heat, the HDCA may determine to instruct teams to commence play at a cooler time of day.

The HDCA will seek to provide clubs with ample advance notice that an amendment to playing time may be imminent.

All participants in every match are to strive to maximise opportunities to play.

#### **INCREASED DRINKS BREAKS, EXTENDED INTERVALS AND CESSATION OF PLAY**

##### **Forecast temperature exceeding 37 degrees**

Prior to the start of play on any match day, the umpires and captains shall conduct a heat safety briefing -

- (a) to determine increasing the number and duration of drinks intervals, and;
  - (b) to determine whether to extend the duration of lunch and/or afternoon tea intervals.
- (For HDCA junior matches, the coaches of the teams are to be involved along with the captains in the above processes).*

## ANNEXURE I

### AIR QUALITY POLICY - PARTICIPANTS

For all ground/weather and light issues, the matter of safety is paramount to our participants. For matches with an official umpire(s) present, they will continue to make such a decision. Where there are no appointed or present HDCA official umpires, it is the responsibility of both captains.

Under the Laws of Cricket 2.7.1 and 2.7.2 *“It is solely for the umpire to decide whether either conditions of ground, weather or light or exceptional circumstances mean that it would be dangerous or unreasonable for play to take place. Conditions shall be regarded as dangerous if there is actual and foreseeable risk to the safety of any player or umpire.”*

So as to improve the consistency of decisions in HDCA matches, we would like all HDCUA umpires, senior captains and junior coaches to download the AirVisual App below. This free App provides relatively up to date AQI data directly at your location.

The umpires, captains or coaches should make a normal assessment of the conditions and if they feel air quality is of a concern, then the App should be used to get a reading. It is important to note that the reading on the App may be somewhat behind what the current conditions on the ground may actually be. We therefore advise a degree of commonsense when deciding to play or suspend play.

The HDCA is not able to give a blanket approval for play to continue in the broad region, as conditions can deteriorate or improve quickly at a particular ground.

AQI	What action should people take?
<b>VERY GOOD</b> 0-33	Enjoy activities
<b>GOOD</b> 34-66	Enjoy activities
<b>FAIR</b> 67-99	<b>People unusually sensitive to air pollution:</b> Plan strenuous outdoor activities when air quality is better
<b>POOR</b> 100-149	<b>AIR POLLUTION HEALTH ALERT</b> <b>Sensitive Groups:</b> Cut back or reschedule strenuous outdoor activities
<b>VERY POOR</b> 150-200	<b>AIR POLLUTION HEALTH ALERT</b> <b>Sensitive groups:</b> Avoid strenuous outdoor activities <b>Everyone:</b> Cut back or reschedule strenuous outdoor activities
<b>HAZARDOUS</b> 200+	<b>AIR POLLUTION HEALTH ALERT</b> <b>Sensitive groups:</b> Avoid all outdoor physical activities <b>Everyone:</b> Significantly cut back on outdoor physical activities

If the air quality is above 200 (ie hazardous), the match should be suspended immediately. If the air quality is under 200 but above 150 - discretion is advised for senior matches and junior matches should be suspended immediately. For senior matches, consideration could be given to reducing overs, increasing the number and length of drinks breaks, having the players/umpires to leave the ground and go indoors whenever possible (including drinks breaks).

As per this policy, the following actions are to be taken with regards to training and matches should air quality readings reach the following levels;

US AQI Reading	Junior Games/Training	Senior Games/Training
0-33	Ok to play	Ok to play
34-66	Ok to play	Ok to play
67-99	Advise participants of risks to health	Advise participants of risks to health
100-149	Advise participants of risks to health	Advise participants of risks to health
150-200	All games & training are to be postponed until reading is at an acceptable level	Advise participants of risks to health
>200	All games & training are to be postponed until reading is at an acceptable level	All games & training are to be postponed until reading is at an acceptable level

Groups/individuals that are likely to be at a higher risk with poor air quality include:

- **People with asthma:** exposure to air pollution might worsen your symptoms or trigger asthma attacks. Use your reliever medicine and check you have an up to date asthma action plan.

- **People with lung disease, such as chronic bronchitis (also called chronic obstructive pulmonary disease or COPD):** exposure to air pollution might worsen your symptoms. Use your reliever medicine and see your doctor if symptoms don't resolve.

- **People with cardiovascular (heart) disease:** exposure to air pollution might induce symptoms such as palpitations, chest pain or shortness of breath. If your symptoms persist or are severe, you should seek urgent medical advice from your doctor or nearest Emergency Department.

- **Unborn babies (pregnant women):** exposure to high levels of air pollution over longer time periods (ie weeks to months) may be linked to adverse pregnancy outcomes such as reduced birth weight or preterm birth.

- **Children** are likely to be more vulnerable to exposure to air pollution compared to adults for the following reasons:

- o *Their lungs are still growing and developing*

- o *Their immune and metabolic systems are still developing*

- o *They suffer from frequent respiratory infections*

- o *They are more active outdoors than adults and therefore breathe in higher doses of outdoor pollutant*

- **Older adults:** Older people are more likely to be affected by air pollution, perhaps due to generally weaker immune systems, or undiagnosed respiratory or cardiovascular health conditions. As people age, their bodies are less able to compensate for the effects of environmental hazards. Air pollution can aggravate heart disease and stroke, lung diseases such as chronic bronchitis (also called chronic obstructive pulmonary disease or COPD) and asthma.

Should there be any concerns regarding the implementation of this policy, please contact the HDCA senior, junior director of cricket or HDCA Chair. Contact details are available through the HDCA website.
